

Clean All

All-Purpose Surface Cleaner

CLEAN ALL is the environmental choice for cleaning hard surfaces.

CLEAN ALL is a Third Party independently assessed formula, meeting the stringent requirements of the 'Recognised™ - environmental credentials scheme' for environmentally preferable products as licenced by ACCORD.

CLEAN ALL is a highly dilutable, versatile, all-purpose detergent with a fresh floral citrus bouquet, suitable for washing floors, bench tops and other hard surfaces found in kitchens, hospitals, nursing homes, motels, hotels, caravan parks, institutions, and schools.

When one environmentally friendly product is required to clean many different hard surfaces, CLEAN ALL's versatility makes it the product of choice. CLEAN ALL effectively powers through grease, leaving surfaces free of soils build-ups, and provides a lasting shine.

How to Use

CLEAN ALL is a highly dilutable, versatile, all-purpose detergent with a fresh Floral Citrus bouquet.

Dilution rates:	LIGHT DUTY: Dilution rate: 1 part to 150 parts water
	HEAVY DUTY: Dilution rate: 1 part to 20 parts water

Features	Advantages	Benefits
Recognised - environmental credentials scheme	ACCORD Accredited Green formula	Better for environment and human health
Concentrated	High dilution rates	Economical Cost in Use
Versatility	Multi use product	One product cleans many hard surfaces
Powers through grease	Breaks up heavy soils and staining	Leaves surfaces clean and shiny
