

Sapphire 1 – Spray & Wipe

Description

An excellent cleaner and degreaser for all hard surfaces

Features and Benefits

- The Sapphire concentrate product range is cost effective, safer for the end user and also lessens the environmental impact on our planet.
- GECA (Good Environmental Choice Australia) certified to the GECA CPv2.2i-2012 Cleaning Products standard.
- Safe to use on all hard, non-porous surfaces including tables, countertops, walls and equipment.
- Suitable for use on hard non-porous food contact surfaces when applied in accordance with use directions. Not suitable for direct application to food or food stuffs.
- Safe for septic tanks and sewerage treatment plants, will not affect aerobic activity in industrial settling ponds and will not be detrimental to marine life when used in accordance with label directions.

Use Directions

Fill spray bottle from mixing station. Spray onto surface to be cleaned. Wipe off with a clean absorbent cloth.

Safety Information
