

Dishmatic L

Chlorinated Heavy Duty Dishwashing Detergent

DISHMATIC L is a liquid detergent formulated for machine dishwashing. A highly active non-foaming blend of grease cutting and emulsifying agents, designed to process crockery and cooking utensils through the dishwashing machine to a sparkling finish.

How to Use

For the most economical results DISHMATIC L should be metered through an automatic dispensing unit. The automatic unit has two advantages:

It dispenses the correct quantity continuously

It obviates the necessity for constant manual additions
