

Foam San

Chlorinated Cleaner / Sanitiser

FOAM SAN is a concentrated, 2-way action sanitiser and cleanser for use in abattoirs and bathrooms. FOAM SAN has a blend of grease cutting and emulsifying agents boosted with a super chlorinated bleach and germ killer that is high foaming. FOAM SAN will provide a dense cleaning and sanitising foam, which penetrates and emulsifies body fat and oil on all hard surfaces found in food processing areas and bathrooms. FOAM SAN can be applied by mop, high pressure sprays, foamers, automatic scrubbers and manually.

How to Use

Heavy Duty	Dilute one (1) part FOAM SAN to forty (40) parts water
Light Duty	Dilute one (1) part FOAM SAN to eighty (80) parts water

Features	Advantages	Benefits
Concentrated	High dilution rates	Economical
