

# GOJO<sup>®</sup> LTX<sup>™</sup> AND ADX<sup>™</sup>

DISPENSING SYSTEMS

EASY TO SERVICE. BUILT TO LAST.  
ENGINEERED FOR PERFORMANCE.

# LIFETIME PERFORMANCE

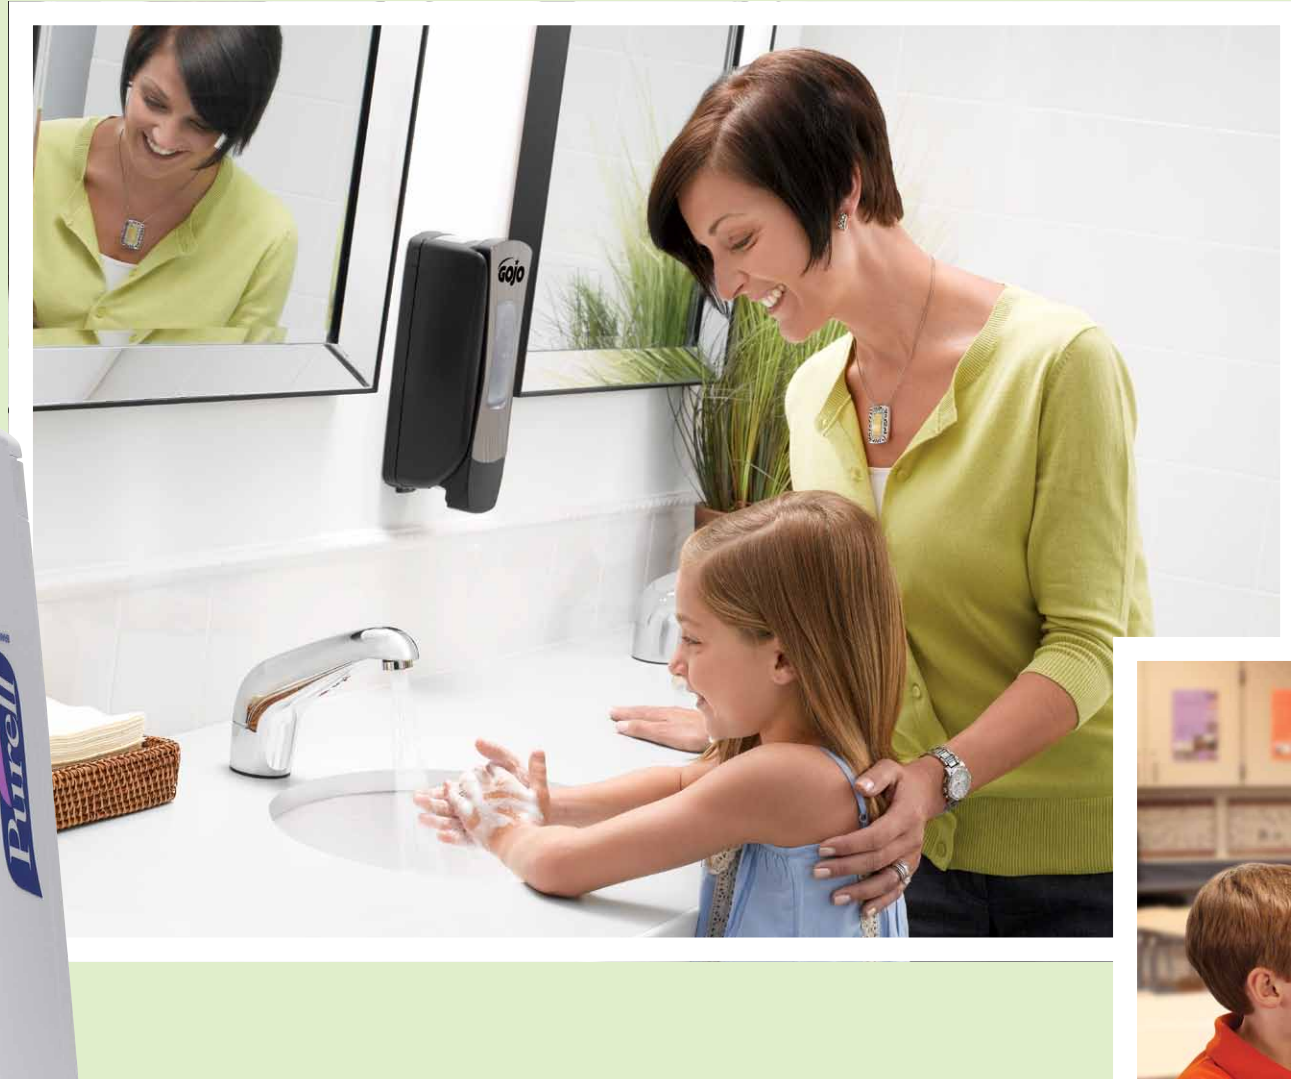

GOJO®  
LTX-7™

GOJO®  
ADX-7™

PURELL®  
ADX-7™

Innovative design, robust construction and commitment to sustainability are what power these top quality next-generation GOJO dispensing systems. Whether you choose the touch-free LTX™ system or the manual ADX™ system, the elegant lines and colourful formulations call attention to dispensers engineered and built for easy servicing and trouble-free performance.

Designed with small footprints to fit compact spaces, these premium quality dispensers feature spa-inspired GOJO soaps and industry-leading PURELL® Hand Sanitiser Foam, including green certified formulations. These two new GOJO dispensing systems come with a guaranteed lifetime performance and deliver affordable prestige and quality that complements your image.

# RELIABLE

# EASY TO SERVICE

GOJO is known for engineering the industry's most reliable, easy-to-service skin care systems. It's a legacy we're building upon with the unmatched dependability of the LTX™ and ADX™ dispensing systems.

LTX  
TOUCH-FREE  
LTX-7™ • 700 mL

14.6 cm wide  
10.16 cm deep

21.59 cm high

9.53 cm wide  
8.89 cm deep

24.76 cm high

ADX  
MANUAL  
ADX-7™ • 700 mL

**Performance Guaranteed**  
Both the LTX and ADX systems carry the GOJO Lifetime Performance Guarantee – a dependability promise that even includes the batteries in the LTX touch-free system.

**Smart, Trouble-Free Electronics**  
GOJO® LTX dispensers use patent-pending technology to optimise energy use. The dispensers are engineered to use a minimal amount of energy per actuation, eliminating the need to change batteries during the life of the dispenser in most installations. The batteries are included and pre-installed, allowing for easy activation of the system.

**Easy to Recycle**  
Removable pump promotes convenient recycling.

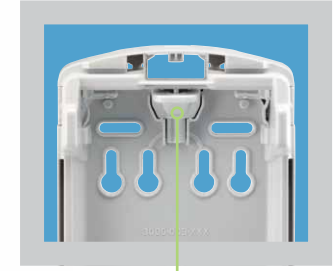

**GOJO SANITARY SEALED™ Refills**  
Snap into place quickly and easily, minimising labour time while protecting users from the contamination risks of bulk soap.

**GOJO CONTROLLED COLLAPSE Bottles**  
Patent-pending refills are engineered to hold their shape while emptying, for a more attractive appearance.

**GOJO SMART-FLEX™ Bottles**  
Durable, recyclable PET material provides crystal clarity while using 30% less material than rigid HDPE material.

**Easy Maintenance**  
Large sight window, skylight and clear bottles make it easy to know when to change the refill.

**GOJO LOCK OR NOT™ Technology**  
Open the cabinet via side latches or, by removing the key, make it a lockable cabinet.

# THE NEW STANDARD IN SUSTAINABLE

# SKIN CARE SCIENCE

The scientifically advanced formulations for the LTX™ and ADX™ dispensing systems set new standards for performance, aesthetics and sustainable benefits while providing a pleasant handwashing experience.

## GOJO SPA-INSPIRED FOAM SOAPS

These new systems offer a selection of luxurious foam formulations enriched with moisturisers, natural extracts and skin conditioners. Whether you prefer vivid colours with spa-like fragrances, or dye- and fragrance-free options, our soaps delight users and support a healthy environment.

These environmentally responsible products have earned green certification from Good Environmental Choice Australia. GECA is a not-for-profit organisation that exists to reduce environmental harm by promoting the production and consumption of environmentally preferable products and services.

### An unprecedented combination

PURELL® Hand Sanitiser Foam provides a powerful combination of germ-killing strength and multiple skin-enriching moisturisers in environmentally responsible formulations.
