

Jadet

Concentrated Hand Dishwashing Detergent

JADET's cleaning ability is long lasting even under the most trying conditions found in commercial kitchens. JADET's excellent rinsability and exceptional hard water tolerance, coupled with superior foaming and wetting agents make JADET ideal for hand washing of dishes, cooking utensils and glassware.

How to Use

Hand dish washing:

Dilute one part JADET to 180 parts warm to hot water in sink

JADET can also be metered through a tap dispenser which provides the correct and most economical dilution for efficient hand dishwashing.

Features	Advantages	Benefits
Biodegradable	Safe to the environment	Peace of mind
Concentrated	High dilution rates	Economical
High foaming	Holds dirt in suspension	Better cleaning
Long life fragrance	Re-odorises	Imparts clean fresh environment
