

Safelock K1 K2 K3

Ultra Concentrated Kitchen Range

The SAFELOCK range is a three product system:

SAFELOCK K1 is a manual sink detergent with excellent rinsability and exceptional hard water tolerance. With superior foaming and wetting agents it is ideal for hand washing dishes, cooking utensils and glassware.

SAFELOCK K2 premium warewash detergent is a super-active, non-foaming blend of grease cutting and emulsifying agents and tannin neutralisers. Ideal for processing crockery & cooking utensils through commercial dishwashers.

SAFELOCK K3 premium warewash rinse additive is a concentrated, lemon charged wetting agent that enables glassware, dishes and utensils to dry thoroughly and quickly without streaking.

How to Use

The Safelock kitchen range is delivered through a state of the art dispensing system to deliver accurate product mix

| Features | Advantages | Benefits |
|---------------------------|----------------------------|---------------|
| Ultra Concentrated | High dilution rates | Economical |
| Fast acting | Saves time | Saves money |
| Lightweight 5L containers | Minimum storage & handling | OH&S Friendly |
