## Bathroom & Kitchen Cleaner

MAGIC is the ultimate natural cleaner. A safer choice for both the end user and the environment, MAGIC is a combination of natural occurring replenish able materials, such as sugar cane, citrus oils, palm oil and coconut oil. Bathroom cleaning: MAGIC removes soap scum build ups and body fats from shower stalls as well as uric acid from toilets and urinals. MAGIC also removes dirt and grime from floors, walls, wash basins, glass and mirrors without the need for heavy scrubbing. Kitchen cleaning: use MAGIC to clean stove tops, range hoods, filters, bench tops, floors, walls & pots and pans.
