

# Outrite Plus

## Carpet Extraction Cleaner & Spotting Agent

OUTRITE PLUS with soil block is a power boosted 3 stage cleaner loaded with grease cutters, soil suspenders, antistatic agents and powerful penetrating solvents. OUTRITE PLUS gives the cleaner a broad spectrum spotting agent ideal on protein and oil based stains. OUTRITE PLUS is a traffic lane prespray that de-solubilises heavy soilage thus making the extraction process more effective, a deodoriser that eliminates all carpet odour as well as an extraction liquid that is highly economical and effective and imparts anti-resoiling properties to carpet.

### How to Use

<b>Pre-Treatment of Traffic Lane</b>	Dilute one part product to five parts water for heavy soil or one to ten parts water for light soil.
<b>Carpet Extraction Cleaning</b>	Dilute one part product to 300 parts warm to hot water. The tank capacity is usually 60 litres therefore add 250ml of OUTRITE PLUS to reservoir tank.
<b>Carpet Spotting</b>	Dilute OUTRITE PLUS one part product to one part water, apply directly to stain using a spray or cloth. Rub the stain from the outside moving into the centre so as not to spread the stain.

Features	Advantages	Benefits
Traffic lane spotter	Safe on all carpets	Safe
Extraction cleaner	High dilution rates	Economical
Spotting agent	Low foaming	Effective

### Specifications

<b>Colour</b>	Green
<b>Hard Water Tolerance</b>	Excellent
