

Pile Up

Safety Bleach and Brightener

PILE UP is a power packed, multi-purpose safety bleach and oxygenator which is an ideal laundry bleach. Removes persistent stains while protecting and rejuvenating delicate fabrics. Also works as an effective carpet cleaner and brightener, ideal for extraction and as the oxygenator in bonnet cleaning of wool and synthetic fibres.

How to Use

Laundry Safety Bleaching	Add 100gms (1/2 cup) per 10kg of dry weight of laundry to clean and brighten and remove tannin stains.
Infectious Linen	After washing linen, use Pile Up and wash for 8 minutes at 70°C with a dilution of 10gms per 1 litre of wash water. As an oxygenator in bonnet buffing, dilute 150gms to 15 litres of hot water. Pile Up can be used for both extraction and foam cleaning of carpets. Just add to cleaning solution.
Light Soil Cleaning	Dilute 1 part to 100 parts water eg. 200gms (1 metric cup to 20 litres water)
Heavy Soil Cleaning	Dilute 1 part to 75 parts water eg. 300gms (1/2 metric cup to 20 litres water)

Features	Advantages	Benefits
Concentrated	High dilution rates	Economical
Fast acting	Saves time	Saves money
Multi-purpose	Reduces products	Cost saving
Oxygen releasing bleach	Does not damage fabrics	Safe

Specifications

Colour	White powder
Odour	Odourless
Hard Water Tolerance	Excellent
Rinsability	Complete
Flammability	Non-flammable
Biodegradability	Fully
