

Prestain

Pre Wash Stain Remover

PRESTAIN contains no harsh alkalis or dangerous solvents. Effective on all colourfast washables in hot or cold water. Will remove most stubborn stains. DO NOT USE on denim, silk or fabrics which may use non-colourfast dyes.

How to Use

Apply to dry clothes only. Saturate dirty or stained area by spraying directly onto stain, using product neat. Wait 1- 2 minutes, then wash in the usual way.
