

Quest

Safe, Neutral & Effective All Purpose Cleaner

QUEST is the natural choice for a versatile heavy duty cleaner. QUEST is the result of blending natural citrus oils with coconut and palm fatty acids to produce a highly effective, multi purpose cleaner, excellent on all hard surfaces eg. floors, walls, bench tops, tiles, vinyl, metal and paintwork. QUEST's safe formula makes it the ideal product for kitchen dishwashing, laundry liquid, car wash and engine degreasing. QUEST contains no caustic, no phosphates, no solvents or hard detergents that pollute our waterways.
