

Shift Gel

Industrial Hand Gel with Grit

SHIFT GEL is a natural industrial hand cleaner with grit and does not contain petroleum solvents. SHIFT GEL leaves your hands refreshingly clean with a natural citrus fragrance.

How to Use

Apply 5 to 15mls (1 to 2 pumps of dispenser pump as supplied) to hands and work into skin, either wipe with clean rag or rinse under water.

Features	Advantages	Benefits
Biodegradable	Safe to the environment	Peace of mind
Emollient oils	Replaces lost body oils from the cleaning process	Keeps hands and skin soft
Moisturising agents	Softer skin	Keeps skin from damage
No harsh solvents	Softer cleansing action	Can be used repeatedly without problems
Non allergenic	Will not cause skin problems	Safe
