

# SURFACE SANITISER WIPES

Need to sanitise  
your surfaces?

## SURFACE SANITISER WIPES

These are a non-woven, disposable wipe, pre-saturated with quaternary ammonium chlorides.

They can be used to sanitise hard non-porous Food contact and Non-food contact surfaces in beauty salons, barber shops, correctional facilities, funeral homes, mortuaries, schools, health clubs, gyms, athletic facilities, airports, transportation terminals, grocery stores, shopping centres, delicatessens, catering facilities, banquet halls, nursery, day-care centres, households, homes, residences, household kitchens and/or bathrooms, institutional kitchens and/or bathrooms.

Available in a Maxi pack 100 wipes or in a wall mounted dispenser with 250 wipes making these the most economical surface sanitiser wipes on the market.

**This product is accepted for use in export registered meat establishments**

## FEATURES

- No harsh chemicals, leaves a pleasant citrus fragrance.
- Quickly wipes away heavy dirt to restore a brilliant shine.
- Leaves behind a protective coating which shines surfaces and preserves them from water marks and corrosion.
