

B&N Window Cleaner

Window & Glass Cleaner

B&N WINDOW CLEANER is a non streaking window and mirror cleaner that contains no alkalis or harsh abrasives. B&N WINDOW CLEANER penetrates and dissolves deposits of dirt, film and oily stains on glass and mirror surfaces, as well as laminated and vinyl surfaces.

How to Use

Dilute B&N WINDOW CLEANER 1:8 with water

Spray B&N WINDOW CLEANER from a hand operated spray onto the surface to be cleaned

Wipe clean & polish with a dry cloth
