

Safety Rules

FOR THE USE OF **WORKPLACE CHEMICALS**

Consider all chemicals **HAZARDOUS**. Read label directions and Material Safety Data Sheets prior to use

NEVER MIX CHEMICALS

Make yourself aware of the colour and characteristics of the chemical products you use

Only use chemicals which are labelled clearly identifying product, classification, handling and safety directions

Replace damaged or defaced labels

Always wear personal protective attire, safety glasses and suitable gloves when handling chemicals. Wash protective attire after each use and store in a clean, dry location.

Make sure you are familiar with the whereabouts and contents of **MATERIAL SAFETY DATA SHEETS (MSDS)**
