Size Guide — Rings

Finding the right size for your jewellery is imperative for a great experience. Our rings are sized according to the UK sizing system. Your ring size is determined by the circumference of your finger. If you already know this, or your US/EU size, you can convert it using the chart below.

If you are not sure about your ring size, you can print this Guide and use the options on the following pages to help you determine your size.

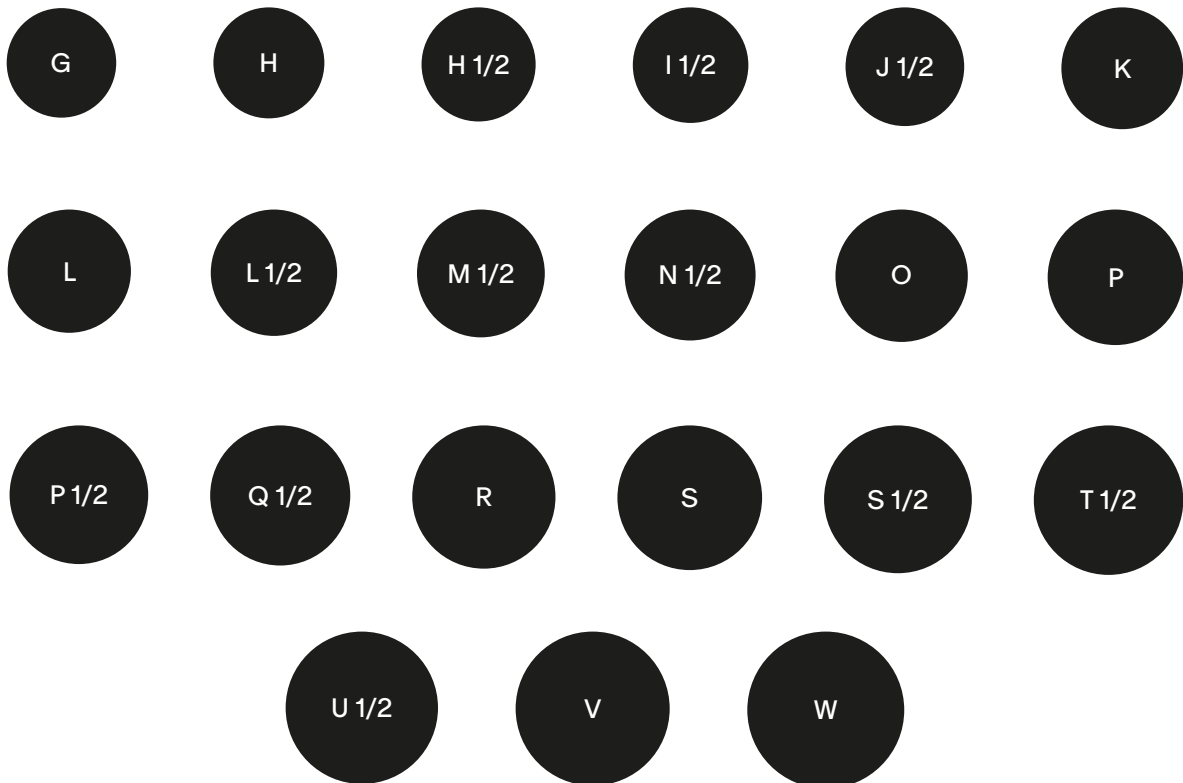

| Circ. (mm) | Circ. (in) | US | EU | UK | Size |

Ring Sizer ¹

Take the ring you wish to use to find the right fit for your AYMER MARIA ring. Print the conversion chart below making sure the Scale to fit option is unchecked in the print dialogue box. Use a ruler to check the chart is to scale.

Place your ring over the circles below to determine which one matches your size. The inside of the ring should exactly match with the circle. If your ideal fit falls between two sizes, we recommend choosing the larger one. Note that AYMER MARIA uses UK sizes.
