Zero

A super-gentle pre-treatment
cleansing shampoo

The perfect way to prepare hair before a Quick Fix or Reset treatment, Zero is full of kindness. It gently cleanses and softens the hair, encouraging the cuticles to rise so it can absorb all the goodness of the in-salon treatment.

Features and benefits

- Free from sodium chloride and sulphates
- Low pH of 6-7
- Contains extracts of soybean and rice

BETAINE

SOYBEAN, PALM & RICE EXTRACTS

Regulate

Get ready for stronger and hydrated hair with Regulate

Regulate is a specially designed protein spray that prepares the hair for treatment, ensuring it has the right balance of moisture and protein so the other products can work their magic.

Features and benefits

- Balances moisture and protein
- Contains extracts of soybean, palm, rice and carob bean
- Hydrates and strengthen every strand

PANTHENOL

SOYBEAN, PALM & RICE EXTRACTS

CAROB BEAN EXTRACT

FABRIQ

Reset

The hero product for smoothing and straightening

Using low pH proteins to transform the shape, strength and condition of every type of hair, Reset repairs and rebuilds the hair so it's left stronger, softer, shinier and healthier.

Features and benefits

- Smooths and straightens
- Contains a hydrolysed protein blend to repair and rebuild hair
- Adds supersoft shine

pH 1.5 - 2.0

CARBOCYSTEINE, KERATIN AMINO ACIDS (V),
HYDOLYSED WHEAT PROTEIN

GLYCERINE, SOYBEAN, PALM & RICE EXTRACTS

AFRICAN & AMAZONIAN FRUIT & PLANT EXTRACTS

CAROB BEAN EXTRACT

Turbo

An optional extra for greater strengthening power

Turbo is an optional additive that gives greater strengthening power for Afro, very curly, resistant or virgin hair by helping Reset penetrate every strand more effectively.

Features and benefits

- Ideal for Afro, very curly or thick hair
- Provides greater strengthening power
- Enhances the treatment

pH 2.0 - 2.5

ETHOXYDIGLYCOL GLYOXYLIC ACID

CAROB BEAN EXTRACT

Lock

Protect, replenish and seal the hair with Lock

Lock is an indulgent conditioning mask that prepares the hair for ironing, replenishes its strength and hydration, and forms a protective layer to guard against heat.

Features and benefits

- Replenished hydration using proteins, oils and seed extracts
- Protects against the damaging effects of heat
- Prepares the hair for the final step of the treatment

pH 3.0 - 4.5

HYDROLYZED WHEAT PROTEIN

KERATIN AMINO ACIDS (V), CARBOCYSTEINE
