BUILT TO A HIGHER STANDARD

Summit Outdoors™ products are built to a higher standard to withstand the test of time with durable design, quality, and integrity. Since crafting the first Shadow Hunter® blind in 1996, we have helped our customers create a new hunting experience in total comfort.

#SHADOWHUNTERNATION

**MARKSMAN® SERIES
BLIND FEATURES**

Marksman® Blinds feature a new interior composite panel system that provides superior sound and scent protection, and is weather and temperature resistant: will not mold, rot, or delaminate.

**SHADOWTECH™
WALL SYSTEM**

Marksman® Blinds feature a multi-layer wall system with a rust-proof aluminum exterior that is fully insulated.

**SHADOWVIEW™
WINDOW SYSTEM**

Silent when opening and closing with an improved track design. Windows heights are easily adjusted with one-hand. Also included is an external blackout shield for added scent control and weather protection.

**SHADOWMESH™
CRITTER-PROOF FLOOR**

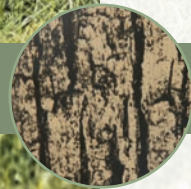

Critter-proof mesh flooring keeps rodents, birds and other wildlife out.

ANY HUNT. ANY SEASON. ANYWHERE.

Blend in perfectly in any terrain with the GhostBlind® Series. The innovative mirror panels are constructed from extruded die cut polypropylene with a fluted design that provides both strength and light weight allowing for easy transport, mobility, and quick set up. GhostBlind® premium materials and construction technique make the blind both waterproof & shatterproof.

NOT SEEING IS BELIEVING!

Forward tilting panel design eliminates any reflection or the glare from the sun and does not allow the animal to see itself.

GhostBlind® Phantom™

MODEL NO: GBI-PH

The GhostBlind® Phantom™ is a 6 panel blind with 9" shooting ports for hunters that prefer low profile seating. Designed primarily for Gun and Crossbow and ideal when used with the low profile Phantom™ Hunting Chair.

WEIGHT (lbs): 7
SEAT WIDTH (in): 22
SEAT HEIGHT (in): 17
WEIGHT CAPACITY (lbs): 225
INCLUDES: Shoulder carry strap

ELEVATORS® BUILDING BRACKETS AND ACCESSORIES

Original Elevators® brackets and elevation accessories give you the hardware you need to elevate your Shadow Hunter® Blind.

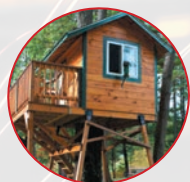

BUILT TOUGH

Elevators® are built with heavy-duty 12-gauge premium steel with robotically-welded joints, over 30% stronger than the competition!

DESIGNED FOR THE ELEMENTS

Elevators® are powder coated, not painted, making them more durable and more resistant to corrosion. They are designed for the elements and can withstand high winds and frigid temperatures that others cannot.

MULTIPURPOSE

Elevators® platform brackets provide the best stability when building a do-it-yourself playhouse, deer blind, swing set platform, or free-standing deck.

THE TRUSTED ORIGINAL

Summit Outdoors™ is the most trusted and original provider of deer blind elevator brackets.
