

PUNCH DRUNK LOVE

BARRY

Just fix it Sir!

LENA

You know, I wanna tell you something,
I've got to tell you ...

BARRY

Oh no!

LENA

I saw a picture of you guys, your sisters and you
and ... I saw your picture and I really wanted to
meet you. I came to drop my car off on purpose to
try and meet you.

BARRY

Boy ... are you lying?

LENA

No. I thought I should tell you ... I didn't want
to get out too far along and be hiding something.

BARRY

Very nice of you to say. Terrific!...
I was listening to this morning DJ's this
morning and they always have couples ...
... that call in and talk about their
problems ... and this DJ Justice ...
... this morning DJ that I really like
... and they were talking about pictures ...
... and they're talking about year-book pictures
and how nobody's happy with the way they look in
their pictures ... and ... I just love this guy
because he tells it the way it is ... he's not a
phony ...and these guys ... and this guy calls up
and he's talking about his senior quote ...
and so DJ Justice says: "What was your
senior quote?, What was so great about it?"
He says "I stole an ancient proverb" and so he
says ok and he says ... "Confusion say!" And then

DJ Justice says, "Confusion or Confucius?" And it was just so comical. But DJ Justice just cuts you down to size, you know? And that's my favorite part of the show... I laugh.
I laugh and laugh even when I'm alone.

LENA

So, ah... How's your business going? Did you sell all that pudding?

BARRY

The pudding is not a sale item ...

LENA

Why?

BARRY

It's ... not for sale.

LENA

Really? Um... Why is that?

BARRY

I'd rather not say, if that's OK.

LENA

Oh, I'm sorry, was it like a secret pudding?

BARRY

Let's just keep it between you and I, if that's possible?

LENA

Sure, sure.

BARRY

Healthy Choice and American Airlines got together for this promotion ...
If I buy any ten Healthy Choice products they'll reward you five hundred frequent flyer miles ...with this special coupon, they'll up it to a thousand miles. So, I think they're trying to push their Teriyaki Chicken which is a dollar seventy-nine, but I went to the supermarket and I

looked around, and saw that they had pudding, for twenty-five cents a cup,

BARRY

comes in packages of four. But insanely, the bar codes are on the individual cups, so, a quarter a cup, say you bought two dollars and fifty cents worth, that's worth five hundred miles, with the coupon it's a thousand miles. It's a marketing mistake but I'm taking advantage of it. If you were to spend three thousand dollars, that will get you a million frequent flyer miles ...you would never have to pay for a ticket for the rest of your life!

LENA

So you bought all that pudding so you that you could get frequent flyer miles.

BARRY

Yes.

LENA

That's insane.

BARRY

I'm guessing it was a mistake ... but I'm taking advantage of it while its offered. Who knows how long it will last? Too many peoples start doing it..

LENA

Um hum. Your sister was telling me a pretty funny story history about you. You know and, when you guys, when were kids? And you were building a house for your dog...you threw a hammer through a window you threw a hammer straight through a sliding glass door, is that right?

BARRY

I threw a hammer? I don't remember doing that. My sister's a liar. I have to go to the bathroom.

I have to go to the bathroom.
