FINISHES

CLEMO + FINCH FINISHES

Here at Clemo + Finch we offer a range of durable finishes, all of which are hand perfected in-house and manufactured in our Kent warehouse. Our ceramic coating is the finest military spec, meaning our products have super long-lasting finishes.

Unsure which finish will complement your interior best? Contact us at hello@clemoandfinch.com and we can provide you with swatches and samples. Please note some finishes have a longer lead time.

Creating a home you love

We understand that sometimes it can be tricky to find the right cabinetry hardware to suit your interior design project. We offer a bespoke and semi-bespoke service so that together, we can curate a range of hardware that suits your style. We pride ourselves on being able to offer the following:

- Expert sales advice and support throughout the entirety of your project
- CAD – 3D renderings and technical drawings to help you visualise your project
- Personalised machine engraving, enabling you to add your own branding for a bespoke finish

Please note, lead times are longer for our bespoke service and are approximately 10 weeks.

If you would like to work with us, have any enquiries or would like more information, please don't hesitate to contact us. We would love to work with you on your project.
