

SCHUMACHER®
since 1889

PANELS

Schumacher is renowned for its ever-expanding portfolio of **extraordinary panel designs** that are truly in a class of their own. From exotic scenics and fantastical florals to modern geometrics and painterly abstractions, our latest collection offers original, imaginative and beautifully crafted panels that elevate a room with an immersive mural-like effect. The ultimate antidote to large expanses of blank wall, these panel designs are the perfect way to add architectural elements and create visual interest.
