PATTERSON FLYNN WOVENS

With its extraordinary textures and refined tonal palette, **Patterson Flynn Wovens II** is the second collection of textiles we've created with our renowned sister brand. Elegant but never too dressy, these gorgeous fabrics represent a versatile gamut of subtle textural designs with an emphasis on natural fibers and luxe finishes. From delicate sheers to plush bouclés to sumptuous velvets, the fabrics in this collection just beg to be touched.

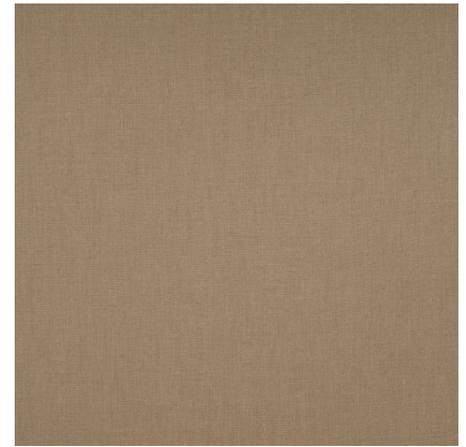

Inspired by men's suiting, Atticus Wool is a marvelously versatile fabric with an elegant, tailored look. Luxuriously long combed-wool fibers create a sturdy mid-weight weave with a smooth texture that works beautifully for upholstery, pillows and window treatments.
