# TEXTURED

# WALLCOVERINGS

Calling all sisal lovers! Our newest **Textured Wallcovering and Printed Grasscloths** collection has arrived, and it's the perfect way to add extra textural interest to your next project. Combining natural materials with intricate handmade processes, this collection champions the subtle, sophisticated beauty of organic textures and shapes. Made of cork, linen, grasses and other fibers, the wallcoverings have all the gorgeous imperfections and artful variations found in the wild.
