

# CUSTOM SHOWER MATS

ARB Teak offers custom shower mats tailored to your requirements. Adding a custom teak floor to your existing shower base will dramatically change the look of your bathroom and instantly update your bath space. ARB teak mats can be used on your existing shower base, including acrylic bases, tiles and concrete.

## HOW TO MEASURE

- First, measure the distance from wall to wall on all sides, inside the base.
- Second, subtract 1/4" from the width and depth for easy removal of the mat for cleaning purposes.
- Allow 3 weeks for delivery after placing order.

## Custom Mat Measurements Example

Depth: 36 inch = 35 <sup>3</sup>/<sub>4</sub> inch

Width 42 inch = 41 <sup>3</sup>/<sub>4</sub> inch

**Choose between these 4 corners when ordering a custom cut:**
