POLICIES & PROCEDURES

OFFICE HOURS

Monday through Friday 9:00 AM - 5:00 PM Eastern Standard Time

ORDERING PROCESS

All orders must be placed online at fittingscollection.com. Upon submission of your order, you will receive an email confirmation. At that point, you will have 24 hours to make any changes. After the first 24 hours, no changes or cancellations can be made and your order will be sent into production. All products are manufactured by individual order.

SHIPPING

Current lead time can be found at fittingscollection.com. You will receive a shipping notification email once your item is shipped from our warehouse. Our collection is made to order and we do not offer returns. Please make sure your order is correct to avoid issues. Shipping is only available in the continental United States.

PRICING

All prices listed in the catalog are list. Prices subject to change. For current pricing visit fittingscollection.com.

Custom Quotes

All quotes for custom pieces are valid for a period of 30 days from the date of the quote. After 30 days items must be re-quoted. To request a custom quote please email sales@fittingscollection.com.

TRADE ACCOUNTS

Applications must be submitted online at fittingscollection.com. All accounts must provide proper tax exemption forms before a tax-exempt status may be achieved. Terms available upon request and subject to credit approval.

FINISH

The material used to create our Fittings Metal Collection is steel. Our architectural powder coating has a matte finish unless otherwise noted. Some welds will be visible. Please visit our website to see our finish video. Sample ring set can be purchased at fittingscollection.com

IMAGERY

Due to size variations, renderings may not depict the actual proportions of your piece. To request a proportional drawing of your piece, please email sales@fittingscollection.com. Cabinetry depicted in images are not included. Legs and brackets are sold individually.

PRODUCT INSTALLATION

Hardware for installation is included with each piece as well as installation instructions unless otherwise noted. We recommend professional installation with all of our products to ensure that all the attachments and blocking considerations are met. Weight limitations should be considered prior to purchase by the final user and professional installer. In certain installations, anti-tip mechanisms should be considered and provided by the final user and/or professional installer. Architectural Justice and Fittings Metal Collection will not be responsible for improper or faulty installations, attachments, anti-tip mechanisms, or blocking considerations.

THANK YOU FOR CHOOSING FITTINGS METAL COLLECTION

We look forward to working with you as we elevate interior spaces with metal designs.

James & Darlene Justice
Owners of Fittings Metal Collection

FINISHES

The highly durable architectural powder coat finishes will complement any design style.

MATERIAL

The material used to create our Fittings Metal Collection is steel. Our architectural powder coating has a vintage matte finish unless otherwise noted.

CARE

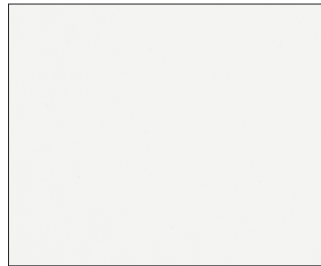

We only recommend using warm water with a mild detergent for the best, safest results. Avoid abrasive chemical solvents or petroleum based products.
