instruction manual

1. INTRODUCING KOALA SOFT TOUCH 30×30

Koala Soft Touch muslin squares are so very **versatile and a must-have baby essential** - you won't be able to live without them. The pack contains 6 muslin cloths, so there's always one to hand when needed.

Do you need a bib, a drooling cloth, a towel, or a reusable wipe for nappy change? Koala Soft Touch always appears at the right time!

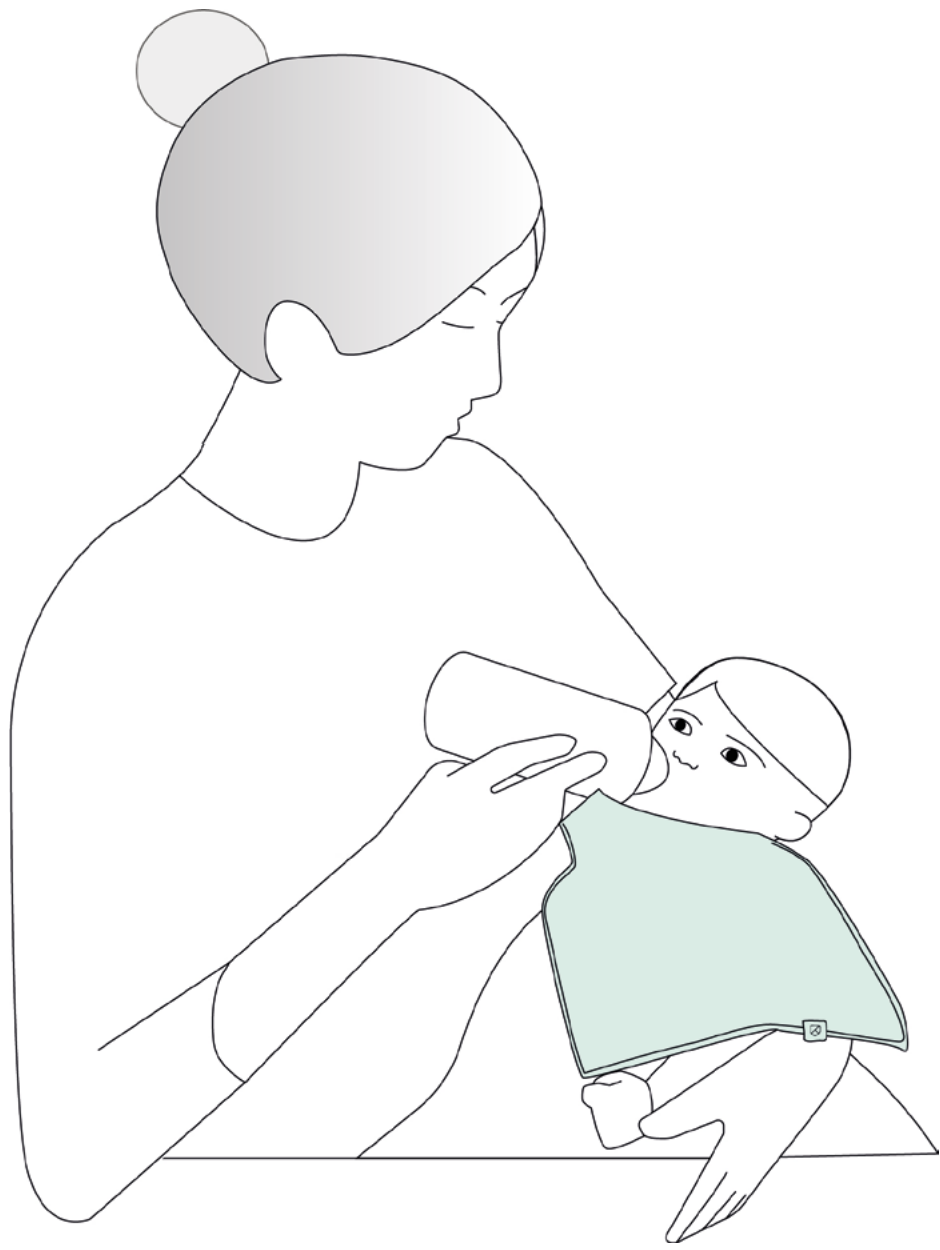

This is a set of **6 muslin squares measuring 30cm × 30cm**, versatile and suitable for a variety of different uses.

Made of 100% certified organic cotton, breathable and gentle on a baby's sensitive skin, each muslin square has **6 layers to ensure maximum absorbency**.

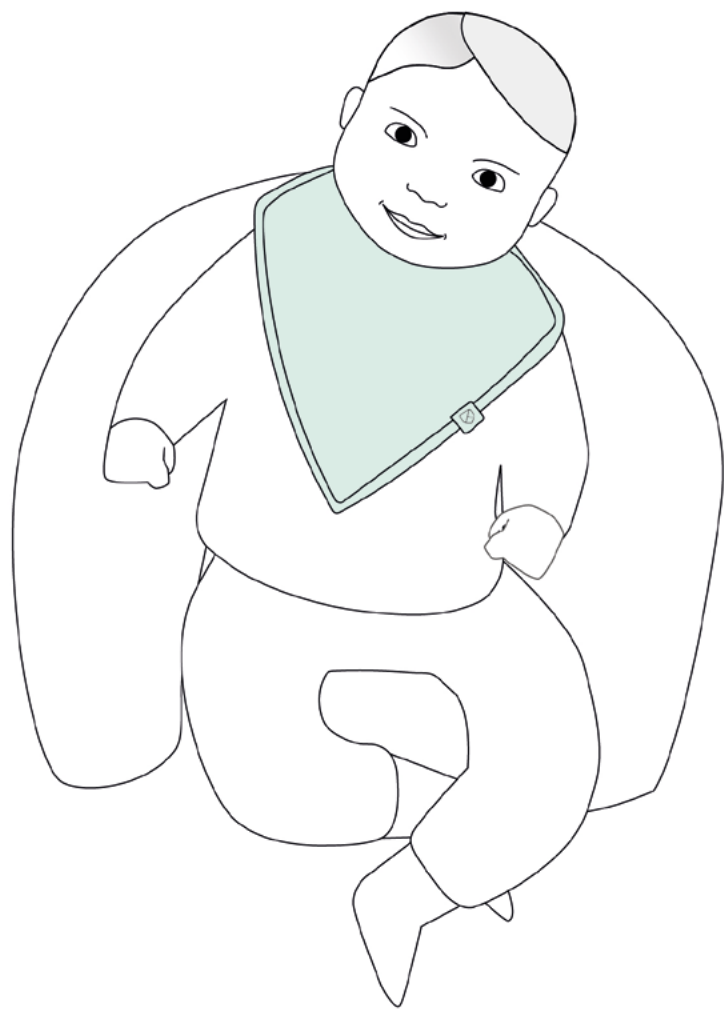

Easy to wash, they stay **super soft wash after wash**.

Koala Babycare muslin cloths stand out for their **stylish and original design**: three of the muslin cloths are plain coloured, while the other three feature a cute little animal design for a baby to enjoy.
