Fast forward to today. I was in a similar spot again 5 months ago.. but instead of defecting, I took ownership. I sat with myself, as uncomfortable as it was, and figured out what I wanted out of my life. I didn't just focus on exercise. I made a plan. I set goals. I started looking after myself properly in every aspect of life... and here I am, fittest and happiest I've ever been. It's hard work daily, ups and downs, but it's so worth. Keep working! We've all got this! ☐☐♥☐
