This Certificate of Analysis is accurate to the best of our knowledge. However, the customer is responsible for performing its own analysis to ensure that the material is suitable for its applications, including compliance with all pertinent legal requirements.

In selling customers these products, no warranty is expressed or implied. The customer assumes all responsibility for interval retesting prior to and after the published expiration date to guarantee specifications based on ideal storage and handling conditions and compatibility with their own products. Aromatic Fragrances International, Inc. (AFI) does not offer finished products. What we do offer is custom fragrances through duplications, creations, or modifications created and manufactured in our facility for use in finished products. Product names, brands, and other trademarks or trade names featured or referred to within AFI are the property of their respective holders. These holders are not affiliated with AFI, our products, our website, nor do they sponsor or endorse our materials. The use of these trademarks or trade names in no way indicates any relationship between AFI and the holders and is used only for descriptive identification to convey the aroma being purchased. Every effort has been made to properly identify and attribute trademarks or trade names to their respective owners wherever possible and/or practical.
