

DAIRY Photogenic

Here are 5 tips to taking better pictures of your food for your next scrap book activity.

2. USE NATURAL ingredients

The best food photos start with using the best looking natural ingredients like The Creamery's cheese!

1. PLAY with YOUR FOOD

You read that right! Playing with your food can help your food become unexpected and colorful.

3. USE PATTERNS

Mix it up and use items like plates, bowls or even a coffee mug to create patterns out of your food!

4. GET MULTIPLE ANGLES

Once you have your food perfectly arranged, get multiple angles! Try getting a view from above and either side.

5. Style YOUR PLATE

Add fresh herbs, silverware or even drizzle some sauce to make your plate look as tasty as possible.
