## Description

This beautiful Carhartt Women's Notch Neck Print Top has a mix of light colors with a subtle design that will brighten your medical scrubs uniform. The stylish notch neckline sits above the collar bone adding more feminine appeal and style. If you love a tailored like fit, then the princess seaming will nicely add to your shape while the curved shirrtail hemline and side vents add length and less restricted movement. Keep your essentials secure in the large front patch pockets with easy side

## Features And Benefits

## Description

The Carhartt fabric technologies are an absolute expectation from the Carhartt wearer and this style is no different. This scrub top features the Rugged Flex® technology that offers stretch and comfort designed to move with you on the job. The flattering and slightly more feminine curved v-neckline combined with the princess seaming in both front and back offer a stylish look. The curved shirrtail with side hem vents offers a tuck-in option or a fashionable untucked version of this shirt.

## Features And Benefits

## Description

Blend style with function when wearing the Carhartt Force Essentials Women's Notch Neck Tunic Top. The notch neckline sits above the collar bone while the princess seaming gives this women's scrub top a more tailored fit. The curved shirttail hemline not only adds style but length and along with the side hem vents sitting, bending, and reaching feels less restricted. Need pockets for your essentials? This stylish scrub top has large front patch side entry pockets with a besom seam hidden cell
