

ecogeeks oxy-boost bulk oxygen bleach

ecogeeks oxy-boost is the most effective, non-toxic, environmentally safe oxygen bleach you can use and is an all purpose stain remover and deodorizer and cleaner compatible with all household detergents. Safe for most all colorfast colors but spot test first to make certain! Below are a few of the most common instructions and recipes for use. Please contact us with any questions, additions or comments!

1 ounce = approx 2 Tablespoons - Each (supplied) scoop is 2 ounces

Laundry Use

ecogeeks oxy-boost removes tough stains like berries, wine, grass, juice and more! Safe and effective in all water temperatures, and MORE effective in hot water. Great for removing detergent residue and musty laundry smell. **Safe for all fabrics except silk or wool.** Safe for most all colorfast colors but test first to be certain!

Recommended Amounts for Laundry:

Use as pre-soak: For heavily stained garments use 4 oz per gallon of HOT water and soak overnight.

Amount for Washing Machine:

Light Soil: 1 oz per load Moderate Soil: 2 oz per load Heavy Soil: 4-6 oz per load.

Warmer water and longer soaking will get better results! FYI it is safe to mix ecogeeks oxy-boost with Borax for stain and smell removal

Kitchen

Food encrusted Pots and Pans: Sprinkle 1-2 Tbs in dirty pots and pans, add ¼ tsp dish detergent and hot water, let soak for 5-10 minutes and clean easily. Clean dried on food and beverages from glasses and dishes by soaking in 3-5 Tbs of oxy-boost and ½ tsp of dish detergent per sink full of warm to hot water, soak dishes and glasses for 15-30 minutes for best results.

Carpets

Spot stain removal, dissolve 1 oz of ecogeeks oxy-boost in one quart of hot water. Using spray bottle or other applicator apply solution to stain until saturated and allow to soak for 15 minutes, blot clean with cloth or sponge.

Carpet cleaner machine dissolve 4 oz of ecogeeks oxy-boost in bucket with 1 gallon hot water, add to machine **with** cleaning solution.

Upholstery

Dissolve 1 oz of Ecogeeks oxy-boost per quart of hot water, spray on stain scrub in and allow to sit for at least 15 minutes. Blot with damp towel or sponge.

Bathroom

ecogeeks oxy-boost can clean the whole bathroom! It's a fantastic grout cleaner, simply make a paste of oxy-boost powder, a few drops of dish soap and hot water, apply and let sit for 1-2 hours then rinse. Soak shower curtain or bathmat with 3oz of oxy-boost, soak minimum 3 hours or overnight. Clean toilet with 2oz of ecogeeks oxy-boost, scrub and let sit for 30 minutes then flush.

Pets

ecogeeks oxy-boost removes pet stains from most surfaces and there is NO harmful residue!

To clean urine, feces and vomit, prepare a solution of 3oz ecogeeks oxy-boost to one gallon hot water. Apply directly to surface or litter box and soak for at least 20 min. To clean dog run, chicken coop or other animal areas, first wet the surface, then sprinkle powder on and scrub with broom or brush. Allow to sit for minimum 30 minutes, then rinse.

Exterior

ecogeeks Oxy-boost is excellent for cleaning all exteriors, especially in preparation for paint. Mix 6-8 ounces of powder per gallon of warm/hot water with ½ tsp of liquid dish soap or other detergent such as simple green. Apply with broom or brush, then scrub, and rinse well. For best results do not let product dry before rinsing. After rinsing let surface dry before painting or staining. Excellent for cleaning concrete and patios too.

STORE product in a closed bag or container, preferably in a cool, dark location.

CAUTION: Harmful if swallowed. This product is a severe eye irritant. Avoid contact with eyes and prolonged contact with skin. AS WITH ALL CLEANING PRODUCTS, KEEP OUT OF THE REACH OF CHILDREN AND PETS. If swallowed, drink large amounts of water to dilute and seek medical attention. **INGREDIENTS:** sodium percarbonate, sodium carbonate (soda ash) coating to preserve potency.
