

WELCOME TO THE CHEESE LADY'S CLASSIC CHEESE CLUB

HOW IT WORKS

Once a month you will receive the best **Cheese Lady** cheeses delivered straight to your door!

Each month the Cheese Lady carefully selects the cheeses that are at their absolute peak and creates a balanced cheese selection featuring a variety of milk types, textures, and flavour profiles, with a special focus on seasonal, guest and monthly-featured cheeses.

WHAT IS INCLUDED

Four farmhouse or artisan cheeses (approx. 750-800g in weight)

Two artisan condiments to complement the cheeses

Cheese tasting notes and beverage pairing suggestions
from the Cheese Lady.

DELIVERY

Your cheese box will arrive on the **2nd Thursday of the month**,
with the exception of **January and July**, when it will arrive on
the **3rd Thursday of the month**.

Cheeses are wrapped in specialist cheese paper that will allow them to stay
in a great condition for longer, when stored in your fridge.
