Brilliant inside and out with the latest in TV color technology and MiniLED Backlighting for a fully loaded, versatile viewing experience. This model has brighter colors with deeper black thanks to the MiniLEDs that are 40x smaller than Traditional LEDs.

This is great TV to have that really outperforms the competition when it comes with the latest processor and display type of MiniLEDs for your outdoor setting. This unit also has the newest version of Dolby Vision IQ and Dolby Atmos Sound.

Titan Outdoor TVs are indoor TVs that have gone through a process that allows them to be used outdoors safely and viewable. (Please see limitation on our website)
