

BUCKET HAT

- Print this file with A4 size paper
- To print select File > Print
- Ensure that the paper size selected is A4 and that double-sided has been turned off
- In page setup/ preview check that scale has been selected and type in scale as 100%
- Then press print

- Once printed cut down left hand side of paper only following the guide line
- Match lines and diamonds on paper in numerical/alphabetical order and tape
- Then your pattern is ready to be cut out and used
