Topcoat

2K290 Matting Agent

Product Description

Matting agent which allows reducing the gloss level of HAMR 2K solid colours and clears.

Technical Characteristics

Colour: transparent

Shelf life: 24 months at 25°C

Pre-treatment

As specified in the TDS of the product in which 2K290 is being used - Solid Topcoat, 2K Clears.

Sur weil belofe dise. Option 1: When 2k290 is contained in the mixing formula: Mix the components respecting the amounts specified in the mixing formula. Prepare the paint for application by adding hardener and thinner as indicated in the TDS of the topcoat/clearcoat being adjusted. Option 2: When matting an original glossy topcoat/clearcoat: Add 2K290 to produce the desired degree of matting. Semi Gloss: 2K Topcoat 100 (vol) 2K Clears 100 (vol) 2K Topcoat 100 (vol) 2K 280 50 (vol) 3K 280 100 (vol) 2K Clears 100 (vol) 2K Topcoat 100 (vol) 2K 280 100 (vol) 3K well. Prepare the paint for application by adding hardener and thinner as indicated in the TDS of the topcoat/clearcoat being adjusted. WLP gravity-feed spraygun<		Stir well before use.
