NAT'L FAMILY HEALTH & FITNESS DAY

***STAYING HEALTHY
AS A FAMILY IS EASY!***

CHECK THESE TIPS 🙌

Found that working out in my usual nice workout clothes gives me motivation now days. In the beginning I was training in joggers or old half dead gym clothes lol and I really was surprised how getting ready makes me feel more productive and helps with my mood. In the other day I listened to Esther Patel live stream on YouTube (pshychologist) and she talked about trying to make boundries in the absence of them with the quarantine going on. You should go and listen to it but I'll elaborate a bit. We are being all of what we are in one small space - lifter

THE BIG 3 LIFTS

Are They "Must-Do" Exercises?

Yes

You have to practice the
Squat, Bench & Deadlift

ARE YOU A
POWERLIFTER?

No

You can be more flexible
with exercise selection

<<SWIPE LEFT<<

iWannaBurnFat

@naomiwarrander with the beaaast 120kg Beltless Deadlift!! Awesome fight and sick new PB!! Hard work paying off ☐☐☐

Global Pharma - Anavar is one of the most popular and safest Anabolic Steroids one could take. Unlike many other Oral Steroids, Anavar is not very toxic to the liver. Anavar from Global Pharma is safe for both females and men. Men report great results at 40-100mg per day, while for females a maximum dose of 20mg per day is used.
