HALETTE SCONCE

49731

H: 9 IN, W: 7.5 IN, D: 4 IN

Antique Brass, White Alabaster

Contract Suitable As Is

The minimalistic aesthetic of this sconce is a design force to be reckoned with. Setting the foundational stage of the piece is a gorgeous circular slab of natural alabaster, which is elevated by an antique brass steel accent that adds dimension. The alabaster works to filter the light and create a natural warm glow. We see this jewelry-inspired sconce, hung in multiples, adding a contemporary-classic vibe to a space. Damp
