Asgard

WS-97614

PRODUCT DESCRIPTION

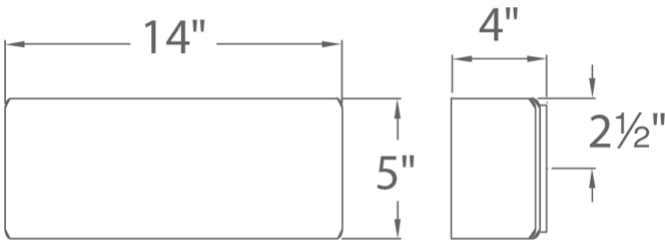

Asgard's simple, sophisticated form has all the hallmarks of Scandinavian design, but it fits right in with nearly any modern décor aesthetic. Its rounded, rectilinear shape conceals the light source, which broadcasts up and down through silk-screened glass to avoid glare from any angle. Finished in shades of walnut wood.

FEATURES

- Driver installed within the Junction Box, driver dimension: 3.0" x 1.9" x 1.1"
- Emergency battery backup option available (special order).
- Wood construction
- Up and down illumination
- Natural wood grain
