Levo Optional Shelf

The goal for the Levo was to create a bedside wall fixture with great task lighting articulation that was intuitive enough to be used without prior knowledge of the fixture: all the while making it slender, sexy, and very robust.

Levo Shelf Option

The introduction of the optional shelf for the Levo increases the utility of this fixture without compromising any aspect of the design. The shelf provides a perfect place to rest your phone or tablet while charging it. It is important to note that shelf is purchased separately from the Levo and can be retrofitted on existing Levos.
