DECKER SEMI-FLUSH

H: 12 IN, Dia: 34.00 IN

Antique Brass

Contract Suitable As Is

A light solution for lovers of craftsman-style has arrived with this semi-flush mount. Showcasing a polished profile the Decker features a white linen shade in an exaggerated scale with an antique brass bottom ring that helps diffuse light while adding an elegant element to its modest form. We imagine this piece over a round dining table. For rectangular tables we recommend styling with a pair. Damp-rated, although limited covered outdoor conditions may affect finish.
