

CLIFFORD

4714-AGB

Rectangular panels are cut from Aged Brass or Polished Nickel metalwork and topped by a curved ribbed glass, making this traditional flush mount design feel updated and fresh. Light not only flows through the opal glossy glass lens at the bottom but seeps through the pockets on the sides and plays off the ribbed panels. Exposed hardware details complete the clean, modern aesthetic.

FINISHES

Aged Brass (AGB)
Polished Nickel (PN)
