Desk

Floor

Royyo adds an elegant flair to any space with its minimal wiring and pleasingly modern design. Its unique silhouette houses complex inner technology for a marriage of form and functionality. Interchangeable base plate options –available in ten metallic, matte, wood veneer or felt finishes–allow users to customize the lamp bases at ease. Royyo Desk Lamp's embedded USB port allows users to charge any USB-compatible device. Achieve unity in design by featuring both desk and floor lamps in your home.

	Royyo Floor	Royyo Desk
Lumens:	780	780
Footcandles:	153	153
Lux:	1646	1646
Energy Consumption:	11 W	11 W
Rated Lifespan:	50,000 hours	
Color Temperature:	Soft Warm (3,000 K)	
Color Rendering Index (CRI) :	90	
Brightness Adjustability:	Continuous dimming	
Material:	Aluminum, plastic	
USB port:	Built-in, 1A (Royyo Desk only)	
Safety Rating:	C-UL-US Certified	
Warranty:	5 years (1 year for hardwire driver in Royyo Pendant)	
Voltage:	120V

Standard Finishes (desk/floor base plates):	Matte Black, Matte White, Silver, Chrome, White Oak, Oiled Walnut, Brass, Oxford Felt, Honeydew Felt, Azure Felt	

## LEED Information

### Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

### Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Koncept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Furthermore, all Koncept lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.

Photometrics for desk/floor lamps: Light source placed 15" away from work surface
