

JJ Small P Wall Lamp

Leucos Design Lab, 2021

The JJ Collection creates an unprecedented freedom of movement with perfect balance thanks to its 4-spring mechanism. Its 2-arm pantograph geometry maintains the same diffuser incline throughout any movement and allows for optimal angles/positioning of the light. The 2021 Leucos update to JJ Collection includes a user replaceable integrated LED with dimmer on the diffuser, wall mount with ability to cantilever up to 45" and 6 standard colors with an inner white diffuser for maximum light output.
