

Wimpy P/PI 32 Ceiling/Wall Lamp

Toso, Massari & Associates With G. Toso, 2013

With its delicate profile, hand-blown Italian glass diffuser, and a bold yet cute personality: Wimpy Ceiling/Wall Lamp is anything but wimpy! Designed by Toso, Massari & Associates (with G. Toso) in 2013, its name alludes to its hamburger profile and the famous cartoon Popeye's friend, J. Wellington Wimpy, who was very fond of hamburgers. Wimpy is made with a traditional Murano hand-blown glass technique called *incamiciato* (Italian for "jacketed" or "layered"), which requires multiple layers of glass during the blowing process. This tedious handmade technique pays off brilliantly as Wimpy gives off perfectly diffused light from its simple and graceful satin white hand-blown diffuser.
