

Lolita Table Lamp

NIKA ZUPANC

Who is afraid of pink? My imagination chases female archetypes intentionally. Frivolous, even naive objects are my favorite victims. And when, during such a process, I manage to be creative in an evidently reserved way, I then touch the purest meaning of my work and frivolity becomes timeless elegance.

Detailing

The Lolita conveys a mood of understated elegance with an unmistakable hint of playfulness. Playful as it is, the shade can be tilted.
