

PANTHELLA 160 PORTABLE

Designed by Verner Panton

Description

This portable table lamp emits a glare-free, soft, and comfortable light. The metal shade variants reflects the light downwards and provides pleasant illumination created by the inner white painted shade and the reflection from the trumpet-shaped stem. The opal acrylic variants provides gentle illumination and subtle ambience due to the transparency and the reflection of the downward light on the inner side of the shade.

Variants

VARIANT NUMBER	COLOR, RAL	W / H / L (IN) / W (LB)
