

Flock of Light

STUDIO TOER

Flock of Light, by Studio Toer, transforms from a light and airy artistic design piece at daytime to a swarm of bright warm lights at night. A swarm captured in stillness. Flock of Light comes in three sizes: 11, 21, and 31, referring to the number of light sources. No matter how big your room or table, there's a Flock of Light suitable to light it up.

Detailing

Like standing amidst a swarm of buzzing bright lights. Flock of Light captures the magic of a warm summer evening.
