

# TITIA PENDANT

*Arihiro Miyake*

Suspension LED lamp composed of three identical injection-molded modules in thermoplastic polymer and equipped with quick couplings for a practical and quick assembly. Delicate silhouette available in matt white or black finishes. Miniaturized and integrated dimmable LED system for excellent luminous efficiency.

# LED

## LAMPING

Source	Linear LED
Total power	90W
Emission	diffused
Switching	dimmable 1-10V
Tension	120V
Color temperature	2700K
Luminous flux	3850lm (luminous output)
Typ CRI	85
Energy class	a+
IP class	20
Dimensions	27.6 x 23.6 x 27.6
Materials	polymer
Notes	cable length 9.8' max, DALI version on request
Net lamp weight	2,5 lbs

## Codes

TIT LWW 51
