TOTEM TABLE

DESCRIPTION

Totem is a classic and highly versatile LED lighting system comprised of exquisitely blown opal glass shades designed around a modular platform. Totem's soft, pure white geometric forms provide a charming interplay of unique and rhythmic shade groupings to add warmth and elegance to any space. Totem Table combines 3 foundational shade sizes to create up to 5 curated dual shade lamp configurations ranging from 8.5"(21.5cm) to 24"(61cm) in height. Totem also features a dual LED light engine assembly that rigidly secures both upper and lower shades for easy assembly. Totem's soft and ambient light source comes standard with fully dimmable 2700K (Dim to Warm) LED technology with fabric sleeved cord set with rotary dimmer.
